“ *Dad,
From the patient heart to the lovely voice for singing you brought smiles to everyone.
You never stopped providing for your family with hard work at you job & also the hard work you did late in the garage every night. I love songs that were sung by you & uncle Jesse together your voices moved hearts & worlds. I will never stop thanking you for teaching me every skill you could to make sure I grew up to be the man I am now.
The time we sent out fishing every weekend was so wonderful, I loved the words you stated whenever we had a nibble "Action in the Bullpen" or the time when Mike got the hook stuck in his hand & the coast guard needed something to numb the paint to help, you said " Ill get the bottle of Jack" OMG the laughs & memories we had will stay in the heart forever.
May you rest in piece dad knowing you brought smiles to everyone & were SO LOVED BY ALL.
We love you with every bit of our heart & souls up here in Michigan.
Love you son,
Jim Perez & Family.*

“ Joe, you will be missed but our times together will never be forgotten. The times we sang songs till the early morning hours, the fishing trips and car repairs we did together (mostly on my cars) you taught me a lot. You will live in my heart for ever until we see each other again, Love you Brother.

“ Uncle Joe, you had a laugh that will always be remembered. So many memories in the backyard listening to you and your brother playing music. Watching you work till the wee hours in the morning on peoples vehicles. But most of all I enjoyed the fishing trips to the surrounding lakes and just enjoying the peace and good laughs. I love you tio and you will always be in our hearts and in our prayers. May your soul rest in peace.
