“ *Dearest Price Family,
It's with sadness that I write this friendly note. Joe was a fellow employee whom I knew for a long time. All this time, I never heard an unkind word cross his lips. He made observations like all of us do, but never a hurtful word. Over the years, I've wondered where Joe had gone. Now he's gone to his reward which undoubtedly is with God.
May Peace be with all of you, and may Joe's example stay with us all. Rest in Peace, Good Friend.*
