“ *My Dearest friends , the Rodriguez's all my prayers go out to your whole family , I have been so blessed to have known such a warm&caring man such as Joe . So soft spoken,kind,loving. What a huge loss not only for the family and friends but personally I believe the world , I can say he changed my Outlook on life. He showed me that true love of a wonderful spouse & teaching your children the right morals in life is the greatest gift you could leave behind when the good Lord calls you home .I can say with year filled eyes and a sad heart I will truly miss you smile & kind soul ... God has a great angel now . RIP. My prayers are with the family*

“ Dear Rodriquez Family,

I cannot believe that Joe is gone. He was our newspaper man for well over 20 years. He always said that no young ones wanted to do this job, so he would do it until he couldn't. Every time I step outside early in the morning I expect to see him throwing the newspaper. What a wonderful man and friend I have lost. He knew my father before his passing 15 years ago. I saw Joe the day before and asked him how he was doing after he lost his son. Joe missed his son very much, and the last thing I said to Joe was "you never know what is going to happen from one day to the next". The next day he went to be with his son and the Lord. I will miss you Joe, and will never forget how kind and thoughtful you were. Early,mornings will not be the same without your smiling face. Sincerely, Virginia Whitworth & family
