My prayers are with you Yolanda, and your family. I sent that yellow candle in memory of your husband because yellow makes me think of JOY and your husband always brought joy to the office whenever he came in. I told you before I have known him as a customer and friend for a long time and you were a most beautiful blessing to him as he was to you. I saw him happy in love when he found you. He was a fighter... he was strong and he never gave up. I admired him so much for always being positive.

I have fought the good fight, I have finished the race, I have kept the faith. 2 Timothy 4:7-8
