“ *I miss how he would always wake me and my sisters up so early to go get in line so we could get good seats at Seaworld. He would make the best breakfast and he would ask for anything we wanted. He always bought movies for movie nights and we would buy candy and snacks so we could have a good time together. I do miss my dad but hes gone... and i'm now living my worst life. I just wish he was hear so I could talk to him everyday and tell him everything that happens at school.*

“ John, my friend and co-worker. When I was out sick you were only one calling to check on me. That's a true friend. You always spoke of your children and proud of them. Enjoyed your friendship and drinking micheladas with you after work. Going to miss you.
