

## John Brian Barefoot

September 10, 1971 - March 19, 2024

John Brian Barefoot was born on September 10, 1971, and passed away on March 19, 2024.

He is survived by his Wife of over thirty years, Evelyn Barefoot, his son Ryan Barefoot and raised daughter Serenity Amaya, his mother Kay Rose, and nephews and cousins.

He was predeceased by his father John Barefoot and stepfather Elton Rose.

John had a close net of friends that he had known since High School whom he considered family spending most weekends playing card games and hanging out to spending birthday vacations at the beach or lake for fishing and relaxing.

John loved his collection of rare Jack Daniel bottles that he took pride in and loved the idea of passing down to his family someday.

Most would describe him as the one-line joker and one who loved to jab with random known facts. His marriage to Evelyn was a sentiment of how one can find their true love in high school and he carried the love for her until his passing.
