“ *I met him in passing at Oasis. I always enjoyed hearing him sing. He always had a smile on his face and a song in his heart. He gave us a sampling of his talent and I remember seeing in full costume in another restaurant. He was an awesome performer and I will always remember him!! He was such a sweet man. “ We will all miss Johnny and his wonderful happy way he enjoyed life. I remember running outside when I was 10 years old every time I heard the music of the ice cream truck. How lucky were we that our cousin Johnny was the driver on our route! He always had our favorite ice cream ready for us. As I grew older I found out he could sing and he sang really good too!. Our family has lost a very special and kind soul and we are the lucky ones for having had him in our lives and hearts. Hubba! Hubba! Cousin Johnny! Love ya always.

“ Hubba! Hubba! Big John, we're gonna miss you! And your phone calls since I retired in 2015 whenever you would hear a Roy Orbison song on the jukebox and you'd think of me and call me. Peace be with you old friend.

“ Johnny Boyle, our Elvis, was such a wonderful & loving person who loved life and everybody! He was always happy, had a smile on his face, never complained or spoke bad about anyone. He had so many friends & family all over town who loved him so much too. And, he was a devout Christian who always spoke of Christ to so many people. We were so lucky to have him in our lives for so many years!

He was an "Elvis" Impersonator and was very good at that too. He sounded just like him and we all loved hearing him perform. He would tell us how so many people would come up to him and say how he sounded just like Elvis and he loved to hear that too.

At Christmas time we would all give him a gift even if no one else got one. He always got so excited and was so appreciative of everything. That was always the case for his birthdays too. So many wonderful memories of him that we'll always cherish. .

One of his favorite things was to go the casino at Eagle Pass. His sister, Kathy, would drive him there and he loved it. I went a few times with them and he was always the lucky one who came out winning the most. We would sometimes just sit and watch him win and he loved it.

He loved the Lord so much and said the past few months that he was ready to go and meet him even though we were quite ready for that. And, there are no words to express how much we'll miss him. But, we know he's happy now, not in pain, and probably singing to everyone up there. That's the part that helps us at this sad time.

In our last conversation, just a few days ago, I said, "I love you, Johnny - lots of people are praying for you." He replied with his best Elvis voice, "Thank ya. Thank ya, very much." I hung up with a smile and tears. God bless You, Uncle Johnny!

“ We will forever miss our beloved brother. I remember as a child trying to Keep up with Johnny and his friend. Always chasing after them to fly kites, bikes, and listen to Elvis.

He was 9 yrs. older than me. In time as time went by as he aged and needed more help and assistance, he followed me, I was blessed to care for him. He was beloved by our whole family.....

All who knew Johnny enjoyed their time with him, whether at Work, Church, eating lunch, or just listening to him sing in Church or in local spots and locations around town, performing as an Elvis impersonator.

He spent his life without complaint and was kind to all, regardless of their circumstance, often offering rides, money or the shirt off his back, to help those less fortunate than he. He has been an inspiration to many, on how to live the Word and not just speak or preach it.

He told me often these last difficult 6 months, when he would be really ill, that he was ready to go " Home to the Lord!" That has brought us all peace in our time of loss, and the hope that we will meet again.
