“ John... I went to middle school with you and that was the last time I saw you....I moved away from there{hooray} and went onto live life. I remember you lived with your grandmother. I see you went on to have a wonderful family and life... My mom, who died in 2012 always asked and wondered how you were doing in life. Looks like you did well. Stunned to hear about your passing because that's early in my opinion. But God has HIS plan.... God bless you and your family... Robert Vaughn Herndon

“ John you will be missed by so many. I loved the good times we had together and so many laughs. I really loved the time when you and Mike were fishing. You wanted a new truck and boat, so Karen and I went to Walmart got you a kids truck and boat and put it in the garage. Karen called you to get home to see your boat and truck. The look on your face was priceless. Rest in Peace cuz.

“ I will miss John. He was a great cousin. I remember John and my brothers were close growing up and all the fun they had as kids. They were always trying to stay 3-4 steps ahead of grandfather Brumley. Good memories. Prayers for you Karen and the rest of your family. May God's peace surround you now and during the months ahead.

“ Johnny brumley a fine man, he was raised to be a worker I've never known of him to be without a job growing up. One thing that stands out in my mind is when we were young kids Johnny had a truck he worked on real hard to get going it sounded just like a kitten he took it out for a test drive one day and I had two friends we were all standing by our cars out in the front yard talking. Johnny come down the street he was in love with one of my friends .She was as pretty as could be Johnny turned his head around while he was driving to get a good glimpse at her and ran into a parked car. Lol... Thank God it wasn't as bad as it sounds he had a few bumps and bruises but I never had seen anybody be able to turn their head around at a 90° turn and still drive at the same time.Lol. May you rest in peace Johnny seems like the Lord is starting to gather his sheep we'll see you again one day soon.
