“ *David and I were so shocked to hear of John's passing. What can I say, John meant so much to us and what an honor it has been to know him all these years. I felt like John was a brother to me and I loved our visits though they were not as often as I would have liked. It will not be the same picking up Sandra and going straight to Alamo Cafe and then to visit John and Beth. He always had a story to tell. It has been a tough year for the Cunningham family with losing Don and now John but what wonderful memories you will always have. My heart goes out to each of you and may you Rest In Peace Big John.*
