“ I met John through my son, but he became my friend and like a member of our family. He joined us for holidays, fishing at the beachhouse, doing repairs on my home, sharing achievements at his job, getting new tires for his truck 🛞, and just keeping in touch. He LOVED a home cooked meal, especially anything sweet 😊. He was gentle and kind, humble , a skilled and dedicated worker, always striving to improve himself. I miss him terribly and wish we could have shared many more years. My heart hurts. Love You, John 💙.
