“ To John My Beloved Husband,

I Praise the Lord you were my husband, friend, and protector. You were my Hero but also my Pastor! You always worked so hard, whether at home or at work! You always provided for us. You never forgot one anniversary or one birthday of ours! You gave me or allowed me to purchase whatever I would of wanted with no limit. Like the song says, "You Got It!".

We always thanked the Lord for our two sons, John Jr. and Michael. The Lord Blessed us with them.

You were the Love of my life and True Love has no ending! We were married 1 month short of 42 years, I could not imagine life without you then. It's been six months since you've went to be with the Lord and missing you is beyond words! Everyday since you left, I've had to...learn...how to live again! It's been the toughest of all, at times it just takes my breath away! But God has not and will not leave me!!! He has carried me, He has walked beside me. And other times He goes before me, but has never left me! He promised to be a husband to the widows and He certainly has been! I've seen how He has been very protective of me! I Love the Lord now more than ever!!! Your Love for me, reminds me of His Love for me! When your illness came for these past two years, together we believed against all odds...for your health, your eyesight! But God had other better plans and He makes no mistakes! I am so grateful to God for allowing me to spend 42 years of marriage and precious moments with you..specially as you breathed your last breaths here! Thank You for all you have done and for making our dreams come true! I know some did not come to pass, but I know better ones await us in Heaven!

I cannot wait to see your smiling face, having perfect eyesight again!!! It Blesses my heart to know you behold the face of the Lord God Almighty!!! WOW! To know you are forever filled with Joy in the Presence of our LORD!!!

I Love You more than ever..My Darling...I will Always Love You and Forever in my Heart!!!

Your Wife,

Isabel

But as it is written, Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him.

“ *Our deepest condolences and sympathy to the Garza Family. John, your early departure will leave a deep void for your loved ones and those that knew you. Especially, Isabel who never left your side during your illness. You leave your sons beautiful memories of what it is to be a caring father and doting husband. Thank you for taking such good care of my sister and for treating her with the love and respect that she deserves. I know you will continue to watch over your family from Heaven. Job well done, may you rest in peace.*

Love,

“ It is with a heavy heart that we express our sincere condolences to the Garza family.

John, among many other things, have been an admirable brother in law, and supportive husband. Never judging anyone, but always eager to pray for them in times of need. As your chores are completed on earth, it is evident what an awesome job you have done by touching so many thru your prayers and loving heart. So sad to see you leave this earth, but happy to know the seeds you have planted here on earth, through your wonderful children, grandchildren and your good deeds, will keep your legacy alive, and continue to grow. We are eternally grateful for all that you have done for us.

*Love,
Mario and Maria Rodriguez and family*
