

John Edward Jagge

November 9, 1934 - February 9, 2005

John E. Jagge born November 9, 1934 went to be with the Lord on February 9, 2005 at the age of 70. John lived his life on his terms, even after he started getting sick. He kept doing the things he loved for as long as he possibly could. Without a doubt this meant riding his motorcycle, even if he had to strap an oxygen tank on the bike to do it, which he did several times. For many years he was very active in the San Antonio BMW Riders Association, acting as Vice President and President. He was also involved with other local motorcycle organizations. John was always an entrepreneur, owning and operating many businesses throughout his life. He most recently started a business as an artisan in leather crafts. Another great source of enjoyment to him was his family. He loved spending time with all his family, and took great pride in them. We will all miss his sense of humor, wisdom, and even his “make sure it’s done this way” type personality. He will always be in our hearts. He is preceded in death by his sister, Mickey James. He is survived by his beloved wife, Francies H. Jagge; sons, Damon L. Jagge and wife Dolores, Kenneth W. Jagge and wife Yvonne, David Edward Jagge and wife Diedre; grandchildren, Linda, Scott, Carlo, Theron, Forrest and Victoria; numerous nieces and nephews.
