“ The best thing I remember about my former next-door neighbor was talking football with him in his front yard. He remembered San Antonio's high school football past like it was yesterday, and loved talking about football very much. His family were great

“ Sometimes the best thing to do when you are hurting so deeply inside your heart is to release your thoughts in words. The loss of all our departed this year is tremendous, but to also loose Johnny, it's unbearable. Johnny was always so kind, sincere
