“ *Enjoyed many years driving by seeing him working on his home and caring for his horses.*

Truly a real 'cowboy' type of person. He lived a good and whole life and leaving lots of memories for your family. Sorry for your loss.

“ *Bub has been a family icon all of my life! Mother and all of my older siblings mentioned him frequently through out the years! He had the reputation for having been generous and caring. He provided the meat and prepared it on sight, for the only reunion I recall when we met at Mariethel and Garland's home in Kerville in the mid 90's.*

“ Our most heartfelt condolences go to the Mauldin family over the passing of Mr.. Mauldin. I met Mr. Mauldin many years ago before I realized he was the father of Linda & inlaw of Billy. Mr .Mauldin was a true cowboy--salt of the earth. He was a person of high principles. I would bet that if you did business with him, his hand shake was his word. I know he would want everyone to celebrate his life with a smile on your face, remembering the many good things he stood for. May the Peace of God be with the entire family.

“ *My heartfelt condolences go out to the entire Mauldin family. I know Evelyn only through the wonderful words that Bub expressed about her over the news. Johnny was a steadfast and loyal partner to his Dad and Bub always relied on him to help in running the complicated roofing business.*

We have lost a true pioneer in the construction industry; a trusted business man, and most of all someone that a handshake was still held in highest honor. I will surely miss you Bub and the many conversations we have shared in the past. Adios to a dear friend.
