“ I have known John since I was in scouts in 1978. My father , Robert Smith who died in 2001 was one of his closest scout buddies .. I am very saddened by his passing . God be with his family and I know my dad and John are hiking around heaven .

“ *I am so very sorry to see of John's death. I met him through my grandson and daughter when they lived in San Antonio. He was a wonderful mentor to Noah and eventually Noah became an Eagle Scout with John's support and belief of him. John traveled to our home in Mackinaw IL to attend Noah's ceremony. He was such a kind man. You and your family are in my prayers.*

John was a special man. He was always hoping for a bright future, working toward his vision, and trusting God to take him there. John was a faithful friend to many, and we felt welcomed into his community and life when we met in 2010. Those of you who had more years of friendship with him are fortunate indeed. We grieve his loss for ourselves, but also for his many friends and coworkers.

James, thank you for being his family, especially in this most difficult time. John loved all his family deeply, and especially his brother. May you know peace that he is safely home.

John trusted the Lord his whole life. He listened for God's guiding and followed faithfully. Jesus said this – "My sheep hear my voice, and I know them, and they follow me: and I give unto them eternal life; and they shall never perish." We rejoice with John in the Lord's promise.
