“ Hi everyone -- I wish I could be with all of you, but my prayers are with you. I loved Uncle Jack and I know he loved all of you so much. It's a very sad day, but he would probably not want to see you grieve too much. He loved his boys!!! I am so sorry

“ So very sorry about Uncle Jack - and also that we will be unable to be there with all of you. He was certainly a wonderful man and we will never forget our visit with him at Merle's funeral. He reminded us so much of him in appearance. It is unbelievable
