To all dads highschool friends I love the story's. He told so many exaggerative stories about everything I never knew what to believe about him back in the day.

“ *Johnny and I were classmates -'75 I had almost every class with Johnny at Jim Ned, and played on the football team and ran track with him. He was one of the greatest running backs to ever play at Jim Ned. He was a true All American boy at Jim Ned. He was an inspiration to everyone he was around and a pleasure to be around. He was a true leader in our class. He touched countless lives in a very positive way.*

“ Johnny was a classmate of mine. We enjoyed lots of fun days at Jim Ned. He was a great guy and athlete. He could definitely run that football and went on to play for Texas Tech. It's hard to lose him and my prayers are with his family. I hope he's running in Heaven!
