“ To the Family of John Richard Rimmer,

I new Mr. Rimmer from Victoria College and the RC Modelers club in Victoria, Tx. When I was enrolled at Victoria Colledge in the Mid Eighties, Mr. Rimmer was my chemistry class professor. He was very helpful to his students if they did not understand something taught in class. He and I also went to the RC flying field out west of Victoria, Tx on several occasions where he would give me pointers in flying RC Aircraft.

I am very sorry to hear of his passing. May he R.I.P. and God Bless his family.

Sincerely,

Allen H. Dietzel
