

## John Allen Roberson

February 4, 1985 - June 18, 2019

John Allen Roberson

February 4, 1985 – June 18, 2019

John was a loving Father and Son. He loved to hunt, fish and spent most of his life outdoors. He was an expert welder and fabricator and won several awards at the Atascosa County Show, The Ag-Mechanic competition in Corpus Christi, the Houston Stock Show and the San Antonio Stock Show. He enjoyed designing metal art but was also skilled in woodworking and often experimented with wooden designs. He was a giving and kind soul, often stopping late at night to find another person broken down on the side of the country road. His kindness and gentle heart will be missed by his family and friends. Thank you son for the joy you brought to our lives. Rest peacefully in God's arms and we will see you again someday.

Mom & Dad

“ You were my first best friend and by age 12 the protector at my side. You were amazing and the best big/little brother a girl could have ever wished for. I think about you and miss you daily. You were my rock and my strength because if John said I could or couldn't do it he knew that would make me push to be better. The 3 of you are together now and I've never felt a loneliness like this and it's hard to get anyone to understand yet still I don't want to explain because we had something special.. the life we survived and the people we became no one will ever understand because they weren't there. I loved you as a brother as a best friend as my pillar of strength. Rest now brother and don't cause too much havoc with the other 2 before I get there. I love you and miss you everyday.

“ You were my first son and I love and miss you every day. You gave us our first and only granddaughter in a family full of boys. I still remember yelling at your dad and realizing that it was you I was yelling at, you both look so much alike, and playing cards with you and seeing you hold the cards the same way that your dad does . I really miss having you around to talk to and explain everything to me. I love you sweetheart and I'm glad you're in a better place now.
