“ SAPD Retired, was one of my DWI Unit officers during 1986 - 1987. He was a professional, a lot of fun to be around, the kind of officer who made a supervisor's work easy because he was common sensical and self-motivated. Our unit was small so we heavily relied on each other. We began each night's work by eating supper together. He and Officer Danny Muzny often formed a team. Johnnie Barnes was a big part of why those were such great days. Hard to believe you're gone, but the Good Lord got a good one. Rest in peace, old friend, you deserve it. God bless your family for sharing you with us. Captain Billy Anders, SAPD Retired, 1996

“ Like Linda said, all of us cousins loved being together. He used to tease me about being the " oldest" of the cousins.. since I was the first post war baby born... with older brothers yet. Always had a good time arguing about it! He was amazingly funny and gentle. All our love and prayers. Sharon Belicek

“ Rest In Peace, sweet soul. Missed hearing your voice again and I regret it. I'm eternally grateful you sought me out after all these years. Yes, we both had long-lasting marriages; blessed. Johnnie was my first friend when we moved to Hartford Court, 10, in 1958. We were so close even past high school, always funny, quite the crooner, ever the gentleman and my "bud". Know how badly he wanted to be in the SAPD. You made it. So many great times we shared that are now beloved memories. You left a legacy in your proud family and friends. Prayers for you and your family.

Love,
Paula (Stokes) & Harry Spahn

“ I had the pleasure of knowing Mr Barnes all through my middle school and high school years, as I was friends with Jenny. I think the best and most important things I can remember is how much he loved his wife and his children. He would do absolutely anything to make sure they were all happy. I remember one time we were at the movies and he literally threw gummy bears at one of the boys girlfriends ha! Remember that Jenny?! Jenny was his little girl and always will be. My heart absolutely breaks for the entire Barnes family. I pray that you find comfort in His arms and rest assured knowing you have an angel for the rest of your lives. Love, Debra

“ *Johnnie and I were in elementary school together. I invited him to a Girl Scout skating party. We must have been 11 or 12. I always thought of him as my first date. He was a very sweet guy. Thoughts and prayers to you and your family at this time of sorrow. Audrey Dye Rogers*

“ I met Johnnie...or as i referred to him...Papa Barnes when i was in college with Jenny. He and Pretty Pam would come in town and take us to dinner. We liked Cracker Barrel and the meatloaf (that is when they didnt run out!!) One night i left my drivers license in the suburban and that man drove back to town the next day just to bring it to me. He loved his kids fiercely and it showed. He was a tough guy with a big heart and he had a great laugh-big and full of charm. He loved his baby girl and his face was always full of pride when Jenny was around. I am proud and lucky to have known him if even for a short time. All my love Papa Barnes...we'll have meatloaf and a sweet tea again one day.

“ Always loved how close we were as kids. As small children, Johnnie was the first born grandchild and I was the second. Him being a little over two years older than me, need I say he was not pleased with me getting all his attention. So we would play games like cowboy and Indians where he tied me to a tree or told me to sit down on a stool which he pulled out from under me and I fell in the cactus bed at our grandmothers house. As we grew up we were very close. I remember the day he came to see me to practice his speech to tell his dad why he was leaving college because he wanted to be a policeman. He was always there for me if I needed anything. I will miss you dear cousin. Thanks for sweet memories. My mother loved you so much. Maybe she'll make you your little bitty biscuits in heaven.

Your cousin,

“ I may not have known Johnnie well, but his daughter Jenny is one of the best people I know so I know what kind of man he was based off of that and the stories Jen would tell me. What a loved man. So proud to know the Barnes family and am praying for you during this difficult time. Love you!

“ Remember the fun we had when the family came to visit us in Bartlett as kids. Johnnie was a gentle giant, loved him like a little brother.
