“ Jimmy has left me with a lot of great memories. As kids we shared a small bedroom with a bunk bed. Through our time we never had an argument. He joined a little league team, I was jealous because I could not find a team to play on. When he was in Vietnam, I received a watch that he sent me, I'll have it at the funeral. Living in Boerne I have met people that he has worked with, or worked for him. They always had interesting comments. Such as when he was building a filling station and restaurant on the corner of Herff and 46, the equipment was stolen, and two of the guys that work for him said don't worry he'll find it. And he did in the Neighborhood of Cordillera. Definitely will miss my brother.
