In his early years, he was known as Mr. Luna or Brother John, leading the youth to a life of Christ. He loved his Royal Rangers. He is remembered for his strong voice and adamant nature. If you ever wanted

anyone on your side, it was him, because he never gave up. He loved music, dancing, and traveling as much as he loved working. Not a single day was too cold nor too hot to go work. Johnny Luna will forever be remembered by friends and family for the wonderful legacy he leaves behind.

“ Johnny was a wonderful man. We always enjoyed having him come to Missouri. He was so sensitive to God and was always giving to the Lords work. He invested a lot into Brendon’s life and he was intentional about sowing into ministry works that he felt were being fruitful. We will never forget his labor of love in having a huge part in helping us get our ac duct work put in before we opened our coffee shop in Carthage, MO. We will he forever grateful to him for his time and energy spent to help us get ready for opening day, along with Chris and Eli Huron. He was such a giving man. Our prayers of comfort go out to the whole family at this time as we know it has been a trying time. May the Lord bless every family member with His peace that only He can give and enable you to keep your eyes on the eternal prize that only comes from knowing Him. That’s what Johnny encouraged through his life. It was evident in his love for family and others.

Well, dear cousins and other family members, I am Louie Gonzales Luna, and Johnny was (one) of my eldest and enlightened cousins. Johnny’s dad and my father were the sons of Jose and Natalia Luna of San Antonio. After attending his service earlier, I am still impressed but not surprised about all the praise and attributes that was said about him , especially by his grandsons. I want to extend my sincerest condolences to all of Johnny’s siblings, wife Lisa, and his children and their offspring (I am sure way to many to mention, but not for Johnny. I myself could never catch up !!) As was mentioned by many of the speakers tonight, Johnny was truly a “legend” and Man of God! I want to Give thanks for all the times he helped my family with his trade and talents! Johnny truly made a dent in the lives he touched and he will truly be missed by all who experienced laugh, chuckle, smiles and especially his roar! GodSpeed Roc!

“ Johnny was , God fearing,giving man an inspiration to all a big brother,an encourager by his actions ready to take his shirt off his back to help you no matter who you were..always showing up at our get togethers,parties,it wouldn't be Christmas,or new years if through that door after midnight Johnny n his wife Lisa wouldn't walk in.
