“ My best friend Johnny. This is Ben. Wow! it's been 8 years since you passed. I am sorry I did not go to the funeral services. I did not know at the time. I apologize to your family. You and Becky were like a second parents to me. Always giving me advice. I miss both of you. I learned a lot from you at work. You showed how to read blueprints and be a good Sheetmetal mechanic. So many things have happened in my life which I will share with you and Becky when I see you all in the next world. Am praying for you. We had so many good times together. Thank you, my friend.
