“ I remember you buying me skittles and soda at our first dance. I remember staying up on the phone way past bedtime. I remember your favorite color was purple at the time, I remember you were shorter than me at the time and you grew to be so much taller than me. I can feel you in the beautiful ring you gave me, my old phone that I got just because it was purple, I feel you in my heart. Years ago, you were the reason stayed strong and I wish I could have done the same for you. Rest easy 💕💕
