

Jonathan G. Salazar

February 25, 1988 - June 29, 2021

It is with great sadness and a heavy heart that our beloved son, grandson, brother, and friend Jonathan G. Salazar entered eternal rest on June 29, 2021 at the age of 33. Jonathan was born on February 25, 1988 in San Antonio, Texas to Elizabeth Salazar and Michael Fuentes.

He is preceded in death by his grandmother, Josephina Salazar; several aunts, uncles, and a grandfather. He is survived by his parents; sisters, Sabrina Salazar and Raquel Fuentes; brother, Michael Fuentes, Jr.; and numerous other loving family members and friends.

After attending St. Mary Elementary, St. John Berchman, and Holy Cross, Jonathan graduated from San Antonio School of Technology. He then went on to work for leading companies such as Party City, Maruchan Noodle Company, Amazon, and most recently Nestle (formally Nature's Bounty).

Jonathan enjoyed in his spare time gaming and was a pillar in his online community of gamers, cosplay, anime, and drawing. He was a movie buff and an animal lover/pet parent. He thoroughly enjoyed the outdoors, hiking, and camping. Jonathan was very loving, helpful, extremely family oriented, and someone who touched many people's hearts. He will be greatly missed. The family is truly humbled by the generosity of the Bexar County Sheriff's Office and the many family and friends whom have contributed in any aspect.

A memorial service will be held Friday, July 30, 2021 at 1:00 P.M. at Mission Park Funeral Chapels South. Interment of ashes will follow in Mission Burial Park South.

“ "Cousins are your first friends" they say. Jon was a rare one. He was a kid at heart, he always looked for the good in others, and was comfortable being himself even if that meant being different. He loved costumes and playing the role of characters/superheros. So for Jonny Boy, we will all put on our capes as we lay him to rest and support his family. You will be dearly missed cousin, love you.

“ Jonathan was known to me and my Twitch community as "ShadowThiefKreios". Even though we didn't know each other in person I still considered him as my friend. He was an absolute joy to have around, and I have many fond memories with him from playing games with each other to cracking jokes. He'd make me laugh and smile. I always knew him as a kind and hardworking person. He has been a part of our community since the very beginning in 2017. He was the very first person to draw me fan art and also gave me the nickname "Vegana". He said he always wanted to make me an emote, but did not have the means to. I decided to get a special emote commissioned to honour and preserve his memory within our community. It is now a part of the channel permanently. To the Salazar family, I am deeply sorry for your loss. He will be missed so much. Rest in Peace my friend.
