

## Jonathan King Schneider

March 20, 1990 - May 27, 2016

Heaven gained an angel with arms wide open to a beautiful soul on May 27th, 2016.

Jonathan King Schneider was born March 20th, 1990. He graduated from Clark High School in 2008 and went on to graduate from Texas Tech University as a Sigma Chi with a B.B.A in Marketing in 2013.

He began his career with Smith & Nephew as a sales representative for both the Western and Southern regions of Texas.

He is survived by his parents, Cindy and Scott, his two brothers Justin and his fiancé Ryan, Stephen and his wife Cary, his godson and nephew Miles and his grandfather, Richard "Boobie" Schneider.

Jonathan's charming personality was infectious, and we know he left this world, guns blazin'. There was never a dull moment with his unique sense of humor. As all of his friends would say, any time spent with Jonathan would certainly make your day.

If you asked him where he would like to be at any moment, it would be floating the Frio. He also took great pleasure in beating his brothers at golf.

Jonny held his family close to his heart. He will be greatly missed but we know he will be forever watching over us.
