

Jonnie Cummings Henderson

May 4, 1920 - July 25, 2011

Jonnie has been called to join our Lord in heaven.

Her love of travel took her to the Great Wall of China, Egypt, the far east, Jerusalem and Europe. Jonnie loved to embrace other cultures and languages during her many travels. This beloved Mother and Grandmother will be greatly missed by all friends, family and anyone who had the opportunity to know her. Many thanks go out from her family to the people who helped make her passing comfortable and peaceful.
