“ Our condolences. George as we know him as our neighbor next door to his house. Was and will remain in our hearts. He was a nice friend that would come visit us and give us a break. The funny thing is that when Cat, my husband and I would start arguing about small things George would say” YA ME VIO”. Cat would say no it’s a nice break if you leave I have to get back to work. He is as always asking me if his heads (engine heads). He was a nice friend to have. He kept his yard very trimmed and it would make me get on my tractor to mow mine. He will truly be missed. Good friend but very stubborn. 🙏 KUBOTA

“ There is a memory that I won't forget and my brother Jorge is probably laughing. My brother and my ex boyfriend used to work together and I used to make my ex his lunch all the time. This day I had made my ex his lunch and we were hitting hard times but I always made sure he had lunch for work. So I had made him fideo tacos because that all I really had the only thing is that I didn't have any spices. So I sent him with that for lunch. My brother and my ex went to lunch and my ex was eating his tacos like he really didn't want to eat it and my brother Jorge asked him what he was eating. My ex told him your sister made me some fideo tacos my brother said wtf don't eat that if you don't want to. He told my brother I have too otherwise she won't cook for me anymore my brother started laughing. My ex told him I'll exchange my taco for one of yours my brother was hell no man and was laughing. My brother told him here dude I'll give you one of my tacos my ex told my brother don't tell your sister that I didn't eat the food. My brother was laughing and said don't worry I won't. So ever since that day my brother would make fun of me and say I hope you never feed your kids that for dinner. We would laugh about that day I told hold him hey we hitting hard times bro. So when I would go see him we would talk and every time that day would be brought up the fideo tacos. Oh how I miss you bro are talks laughter talking bs about dumb stuff. I love you bro until we see each other again may you be in peace. Always in my thoughts ❤️❤️

“ *Our Condolences. May George rest in peace. He was our neighbor at our shop and would come over and visit us to give us a break from our work. He used to kid around with us all the time. He used to assist us with our mowers too. And of course, he kept his yard neatly mowed. When he would get home from his work, he would say "que paso neighbor". George will be greatly missed.*

“ I know you’re up there doing burnouts and flying as fast as you can Jorge. You’ve giving me more inspiration to get back into my truck than you’ll ever know buddy. Too bad we will never find out who’s truck was faster, but I know you would’ve loved my final build. I’ll forever cherish our taco mornings with the guys, all your old school knowledge ,and all the crazy stories you shared. I’m going to miss hearing Brady yell” Hey boy!” From across the shop. Going to miss those fist bumps with the explosion ✨ at the end , boom! I’ll probably still have to yell “HotRoood” (like the famous ring announcer guy , lol) every time I pass your work area now. You were definitely taken too soon just like all the rest of the good ones. Race in Paradise my friend. You will be missed.
