“ I remember him being the sub that would get mad at us when we weren't behaving in class and would give us a stern taking to. All his lessons that he gave each and every one of us in highschool taught us how to grow up, how to be mature and sometimes when he talked to us he would share memories and make us believe that we can reach our dreams if we really try hard enough. My prayers and condolences to his family, near or far. He will truly be missed and has made a great impact on every life he ever touched.

“ I have many fond memories of my brother, Turo (AKA Art). He always took care of me, gave me advice, and I knew he loved me unconditionally. I was his #1 fan during his coaching career. We supported him with his La Feria Lions, EE Yellow Jackets, Mission Eagles, Roma Gladiators, and San Antonio Southside Cardinals. Also supporting him was my lovely mom, Maria by attending his football games. I sit here and cry as I look at the frames he hung up for me in my new home. Even though your absence hurts I know you're in a better place. Please continue to watch over and take care of Me. Now I have 4 special angels taking care of me, Mom, Dad, Rudy, and YOU. Gone but Never Forgotten. Love 💙💜 you

*On behalf of the Lopez and Marroquin Families, please accept our most heartfelt condolences on the passing of Arturo! Our families have a special bond as we consider the Valdezes a part of our extended family! Arturo filled a very important role in his family after Rudy died and I know he leaves a void in the family that only our Lord can fill! His love of family will be a part of his legacy! Know that as he left this world, he left a part of him in each of you! His homecoming upon being embraced by our Lord to join Rudy, your Mom and Dad is now his greatest joy! He will remain forever in your hearts and those of us who had the privilege of knowing and loving him!*
