“ *My brother, Jose, was a loving and caring person. While we were very close in age, we fought like cats and dogs when we were young. However, as it always happens with siblings, we became very close as we got older, and I loved him dearly. My regret is that I didn't see him too often as I live in Houston. I will miss him terribly. I see this event as a celebration of life and take comfort in knowing that he is in heaven with our Lord and Savior.*
