“ My Sincere Condolences to the entire Espinoza Nation. I remember the fun times when visiting our cousins at the home of Uncle Theo and Aunt Susie.

Joe was a fun guy to be around with and i remember going cruising with him in our younger days.

i recall the fun times at San Felipe street and watching the Cowboys game and when the Cowboy Bob Hayes caught a pass the entire home shook up along with entire neighborhood.

Please know, Joe will be lifted up in prayer & i look forward to a time when we can celebrate his life in person. God bless you all

“ God Bless Cousin Joe and our sincere condolences to the family. Cherished memories of our "Big Cousin" growing up with his cheerful greeting and the Band playing in his Parents living room. Aunt Susie cooking in the kitchen and Joe talking her into the living room, taking a break to dance with her mijo. Good times always and best wishes in celebrating his life!
