In my precious memories of my beloved Dad . I have so many rich memories of our long talks about your life at the house and on the porch . I enjoyed those life stories about your past . You always took me back to your time I could almost feel myself walking next to you as you told me the stories of your past , thank you so much daddy for sharing those stories of your life I will forever hold them deep in my heart . I have you etched in my heart , you will be there always . I'm gonna miss your daddy so very much , I love you , till we meet again daddy 🙏❤️

“ *I miss you so much already dad. You were a good father to me. I'm gonna miss visiting you , sitting in the porch swing talking with you serving you coffee and bringing you cookies. Someday we will all be together again as a family and I can't wait to hug you and be in your arms again. I love you dad RIP*

“ My grandfather was a man of few words and had a smile that could light the whole room up. I really enjoyed watching him watch his boxing. He would get so into the match that he would ball up his hand like a fist and make small jabs into the air. I didn't even think he realized he was doing that. He was just so engaged in the match, as if he was the one boxing. I will miss him and his smile. It gives me comfort knowing he is with his parents, siblings and daughters, Aunt Dahlia and Aunt Ida. Till we meet again Grandpa.

A Poem for Grandpa (Modified)

Unknown Author

*Grandpa, you were just a boy,
So many years ago.*

*You had your loves and had your dreams,
You watched us come and go.*

*You watched us make the same mistakes,
That you had made before,*

*But that just made you hold us tight,
And love us all the more.*

*We haven't always thought about
The things that you have seen.*

*To us you've just been 'Grandpa',
No thought of who you've been.*

*But we remember now in love,
Your life from start to end,
And we're just glad we knew you,
As Grandpa, and as Friend.*

“ My great memories of grandpa were when I was little and grandma would drive the red van to go pick him up from work and when he got home grandma would have his dinner ready with those amazing tortillas and then he would Relax and have an old Milwaukee beer and he would play with Yvette and sing my vette to Yvette when she was small and I also remember him watching boxing he loved boxing , those are my most fondest memories, I gave way more but I can go on and on but I just want to say that I love you grandpa and even though you may be physically gone you'll be in my heart forever, thank you for the MAN you are , for being brave , strong and humble, I will see you one day, 🥂
