I was honored to be invited to on of the traditional gatherings at his home. The love of the family was evident in the faces of all gathered there. I know that he was a great man loved by all and that he will be sorely missed. My condolences to the family.

Adelfa and I were in the same grade and knew each other very well. Many of our friends back then were like family. very close group. Frankie will be missed. Eddie Tello.

“ Frankie and I grew up in the old neighborhood, we played little league and pony League baseball. We also had some fun times playing "stick ball" in the back yard of Jesse Diaz' house. All the guys from the neighborhood would gather there to play stick ball. We really had some fun times during summer vacation. We did not hang out together much when we grew up, but the childhood memories will always remain a part of our lives. So long my friend...

“ I am so sorry for the loss of such a great man. I loved watching the pride in his face when he had family gatherings and had great turnouts. I loved how you could see the love in his eyes when Laurie and Frankie visited as kids and when their children visited him. I know he will be greatly missed and I look forward to seeing his kids fulfill his legacy by continuing to have gatherings in his honor.
