

Mr. Jose Segura

March 17, 1951 - March 9, 2025

In Loving memory of Jose Segura, Jr., 73, a kind, generous and good man, passed away peacefully at home, on March 9, 2025, entering his Eternal Rest. Born in San Antonio, Texas, on March 17, 1951, to Jose and Adriana Segura, he was the 6th of 7 children and preceded in death by his siblings Bernabe, Paul, Mary, Lucy, and Secilia and his most beloved son, Miguel Patricio, with whom he shared a birthday. He is survived by his sisters Rosie (Richard) Ochoa and Janie Mata and numerous nieces and nephews.

Joe graduated from Harlandale High School and obtained his Bachelor's Degree in Business Administration and Economics from Trinity University. He was a proud employee of AT&T for 35 years where he cultivated many friendships which continue today. His career took him and his family to St. Louis and Dallas where many deep friendships were also made in the community and neighborhood. He completed his work career at AMDOCS where he retired a second time. He would often share the sentiment, "Find something you love to do, and you will never work a day in your life."

He met the love of his life, Diana, at a wedding reception in 1971. He said he immediately knew that she would be his wife and the mother of his children. They shared 50 years of marriage and together raised 4 amazing children, Vanessa (Michael) Hofle, Allegra Segura (Thomas Burks), Jose (Courtney) Segura and Miguel (Jennifer) Segura. Always ready to take that midnight

feeding, he said that was his quiet time with his babies when they talked and made plans. He loved them fiercely and was very proud of the kind, loving and hard working individuals they became.

He adored his grandchildren and was accused of becoming a soft touch around them. Mia and Amelia Hofle, Isla and George Burks, Christian and Eleanor Segura, Clara, Amelia and Jae Fueglein all brought joy to his life. He shared many Papa stories with them of his life as a migrant farm worker picking fruits and vegetables, temporarily living in a chicken coop, selling newspapers on the street corners before school, and getting struck by a car, to name a few. All his recollections were told with a sense of adventure, never as negative or sad. There was a lesson to be learned with each experience.

Joe and Diana enjoyed retirement to its fullest. They traveled, cruised with their Card Group, visited with friends and attended the grandchildren's important events - recitals, concerts, competitions and games. Joe loved his entire family and treasured his role as Brother, Uncle and Godfather. He cherished every moment he spent with loved ones.

His love for growing his hibiscus was legendary. He would often text photos of his flowers to everyone and would even give you a young plant of your own saying, "Just water it, it will grow." He also found time to visit Kickapoo and Winstar where he made an occasional donation.

Joe will be remembered as a man of faith, a pillar of gentle strength, a generous spirit and a person who loved deeply. He always championed the underdog and was willing to assist anyone who needed a helping hand. He will be greatly missed. We can honor his legacy by living our life to the fullest, looking out for and loving each other, and by growing a hibiscus - "Just water it, it will grow."

Rest in Peace in the arms of Our Lord

Jose Segura, Jr. Presente

Reading Joe's obituary, reminded me how much I enjoyed working with Joe. His smile and positive attitude were infectious. He will be remembered for these qualities by all his friends he worked with in the Dallas Data Center.

“ *For My Godfather*

*For nearly 50 years of my life, he was a steady light in my life.
Not just a godfather in name, but in spirit and presence.
He showed up when it mattered, and even when it didn't.
He shared wisdom without preaching, laughter without end,
and a love that spoke through actions, not just words.*

*He was something special.
Not just to me, but to everyone who had the blessing of knowing
him.
He had a way of making you feel seen, heard, and valued.
A rare kind of soul who made the world softer and stronger all at
once.*

*His presence may no longer fill the room,
but his voice still echoes in my memories.
His lessons still guide me.
And his love lives on in my heart.*

*Thank you, my godfather,
for almost 50 years of unconditional love,
quiet strength, and unforgettable moments.
I'll carry your light with me for the rest of my life.*

“ I knew Joe since we were in Elementary school at Columbia Heights and Junior High eventually at Harlandale High School. I honestly believe he was the smartest student at Southcross Jr High and in the top 1% at Harlandale. We were good friends and we were in the Chess club together in middle school. Joe will not be forgotten May he rest in peace.

I went to School with Jose at Southcross Jr. High & this Man I looked up to. He was the most intelligent Person & quite minded Human Being. He always was a book minded Person, kept to Himself, Respectful & Polite. He was Corp Officer in High School ROTC at Harlandale & set Himself on the Highest most Reputable Standard to Assume His Goals. Up until Michael (Mikey) was in Swimming at College, Jose was the Proudest Father that He glowed to Michael's performance & accomplishments. But, as time took it's course We saw less of each other. You in a better place my Friend & until we meet again keep the Indian Power alive & keep Dancing to your favorite song " Mambo #5 " RIP my fellow Indian Alumni

I met Joe in high school. I was proud to call him my friend. Then one day, I saw him in the elevator at 1010 when we both worked for SWBT. Joe, you will be missed. I know you are with Jesus. Rest well.

I worked with Jose at AT&T, back when it was still Southwestern Bell Telephone, processing the Toll billing cycle. He was our database administrator at the time. He was a great coworker and very dedicated. He was a lot of fun too. I fondly remember our lunch trips to Tejanos Tex Mex restaurant in Oak Cliff and the post meal food coma after ward. 😂. Those were fun times. My sincere condolences. He was a great guy. 🙏💙
