“ Although I never got to talk to him that much about his life I’m sure he enjoyed it. He has been such a blessing to many including myself. I love my Grandpa and I thank the Lord for him. Im glad God has revealed the truth to me: that death is only the beginning of eternal life with God when you have put your faith in Jesus So, there is no reason to fear it. The last time I saw my Grandpa it was very heartbreaking seeing him so fragile and helpless knowing that he was suffering physically and mentally. I am sad that im not able to see him on this earth anymore but im also confident and joyful that he is released from the suffering of death and in God’s mercy and grace by faith in Jesus Christ.

John 11:25

“ Jesus said unto her, I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live:”

So my message is to believe in Jesus Christ and allow him to change your life by committing yourself to following and obeying his commandment to love, and that you grow in knowledge and relationship with him in prayer and in reading his Word of life. I pray that the Lord blesses you who are reading this right now with what you need to fulfill his will for the kingdom, here on earth as it is in heaven.

For those who have already committed their lives to Jesus: Don’t give up, keep fighting the Good fight of faith. Those who endure until the end and stay faithful until death shall receive the crown of eternal life.

Stay focused on Jesus.

“ It’s beyond words, but I’m just so damn glad I lived so full of love, joy, and amazing adventures with you. I am lucky to honestly say that I have zero regrets and I spent every ounce of energy I had living life to the fullest with you. I will always love you and treasure the many memories of the adventures we lived and experienced.
You will never be forgotten.
