Jimmy, my friend, although we're miles apart I feel more close to you now than ever. Your mom will forever be in our thoughts and prayers. My mom, Sophia, sends you her love as well. I must admit, although Mama Josefine seemed to be your co-host, she was indeed the star (who gave birth to you...) you shall forever be her star with pride)

My friend Jimmy your mom who we called your co-host or star mom Josephine. Always made us feel welcome and loved. She took care of each of us with her Hail Mary Prayer. She in that half hour brightened all our lives .The love she had for you we all could see. I'm gonna miss mom Josephine. She's in heaven now with our Father. I know she's still watching out for us. I'm so sorry for your loss.

“ *My deepest condolences to the family of Mrs. Johnson.*

Mrs Johnson this is how I will remember you.

I met you and your family when I was 7 . My mom went to the same church

St. Dominic's and you both made sure we were at mass even if we didn't wanna go.

Soon after that meeting you became the lady whose house I would to everyday to hang out and go to school with my best friend Judy . I love you and your family was blessed to have you as there momma.

Wish I could be there to pay my respects.

Love,

Cindy Mills
