“ My Condolences to Joe's family. I worked in the same department at USAA, for many years and often saw him at different classes and Town Hall meetings. I always thought you had a great sense of humor, Joe. Thanks to GOD for all He provided you: A GREAT family, friends, good work, and now eternity with our Savior and LORD, Jesus Christ! God Bless you all!

“ Ventura, this is Wanda from USAA, JR and I shared laughs for many years. After retirement he and my husband, Stewart shared jokes via email. We both have fond memories of JR. Our thoughts and prayers are with your family.

My sympathy and condolences go to the Alvarado family and his wife, Ventura and his daughters. JR came to Morningside Nursing Home when I had my stroke in Aug 7, 2012. JR came every week when could he could come by to visit me in this facility and I enjoyed "his smiling face"! We shared a lot of humor in the building and I will "thank him" with my total heart that he came "to make my day". Rest In Peace JR

“ Joe and I have been friends ever since high school in 1967. We continued our friendship for over 40 years. I had the pleasure to call him my compadre since my spouse, Adelina & I, baptized his oldest daughter, Lisa. I also owe him my job at USAA, since he advised me of a opening back in 1971. We continued our friendshiip at work until our retirement, but continue to have breakfast on a weekly basis. We always kept in touch by phone and met at least once a week. Joe was my best friend who would do anything for me, as, I for him He was loved by my entire family, including my nephews. Even though he is gone, he will never be forgotten since we have many fond memories. We could talk for hours on any subject and enjoyed each others company. Joe, I know you are now in heaven with our Lord and Savior, Jesus Christ. I will miss you; however, we will meet again my friend. Sincerely, Your Best Friend, Domingo Vazquez

“ Knew him from USAA but not as much as others, but well enough in my many brief conversations with Joe from time to to time to know that he as a very class guy and he never said anything bad about anyone. Very smart and super nice guy.
