

Joseph "Joey" Ball

October 25, 1985 - January 30, 2025

Joseph "Joey" Ball, 39, of Elmendorf, Texas passed away following a hard-fought battle with cancer on January 30, 2025. Joey was born on October 25, 1985, in San Antonio, Texas to Michael and Bonnie Ball.

Although Joey claimed to have a strong aversion to people, he was always helping someone out. His Ford truck was rarely seen without a trailer hooked to it, because he was always on his way to rescue someone stranded on the side of the road. He was also an incredibly talented artist and mechanic. Words simply can't explain all that Joey was to his friends and family. He will be greatly missed.

Joey is survived by his mother, Bonnie Ball, his brother, Michael Ball Jr., his nephew, Legan Ball, his niece, Paisley Ball, and countless friends who became family.

In accordance with Joey wishes, he will be cremated, and a Celebration of his life will be held on February 22nd, 2025, at 3:00 p.m. at the David Crockett Grange Hall located at 14309 Old Corpus Christi Rd. in Elmendorf, Texas. We invite all who knew and loved Joey to join us in sharing stories, music, and drinks, as he would have wanted.

“ This world is a sadder place with you not in it. Way to soon for you to go and it doesn't make sense why you were chosen.. A man of few words but had the knowledge and skills that were amazing. Many and many memories of going to the coast to rivers camping fishing and hunting birds and jack rabbits with BB guns Dirt bikes 3 wheelers 4 wheelers go carts or whatever hot rods you personally manufactured many and many memories with all of us boy cousins doing boy activities throughout our childhood we all went on to have our own life's and families as we got older but we met up a few times I bought a rock solid 1931 ford 8n tractor which I know you loved dearly with a 5ft kubota shredder that you definitely didn't want to part with but you did it for us cause you knew me aunt bb lost uncle David and always needed one to keep up our place so you sold it at a very cheap price for us out of pure love that you had in your heart. Also had the pleasure of spending some time with you the last couple years dealing with car and truck problems and you were still the humble FORD truck lovin cousin I always knew. We are going to miss you it's devastating to here this news but say hello to my Dad and your Dad and rest in heaven until we all meet again I LOVE YOU BROTHER thanks for all your kind deeds of service you did for us and everyone you could. Farewell!
