“ Dear Roxie and Lexie,  
Joe and I were lifelong friends. We graduated from high school together and were neighbors for many years. He was a very thoughtful and caring person. The DuBose family is in my thoughts and prayers.

Warmly, Lewis

“ My heart goes out to the family for the loss of this wonderful loving cousin. Many memories growing up with Joe having fun and all the laughter. He helped me so much with the start of my business, many years ago, with his creativity on the computer. He will be dearly missed and know he will bring sunshine to Heaven.

*My heart was broken when I heard of Joe's passing. We had grown so close over these past 13 years and he was close to Mom and Dad, too, while they were still with us. He came out to visit so many times and he and Dad going for lunch, and visiting with us. I feel deeply for the rest of his family and the friends that knew him. Two great losses so close together is so hard to bear for you all. Joe was so caring and special and I will miss him so much. You all are in my thoughts and prayers. May the Lord continue to give you His strength and comfort in knowing Joe is at peace now with Him.*
