“ I sure do miss you Grumpa. Your laugh was always the sound of pure joy, and I thank you for always sharing your devotion of Mary with our family. Love you and praying perpetual light shines upon you as you find rest in the arms of Jesus, enlightened in the Holy Spirit, wrapped in the mantle of our blessed Mother Mary, and in the palm of God our Father. Please give a schmootze and a squeeze to Gamma for us.

“ *Joe, Linda and family became our neighbors across the street over 45 years ago. During these past years we saw our kids grow up together and visited back and forth throughout the week. Joe and I often cut our lawns on the same day and would take many breaks discussing fishing, hunting, politics and many other topics. Besides being a great friend, he was always a compassionate friend and always helped anyone who needed assistance. His knowledge from being a home builder made him the neighborhood handy man. Carpentry, plumbing, fixing doors, he could do it all. His faith, his consideration of others, and his willingness to help anyone were traits that he practiced all the time. Joe is now at rest but his smile, and wave and call across the street "Hey what's going on" are going to be missed. Our family extends our sympathy to his family for their loss and may God bless them and give them strength during this sad time.*

“ Joe and I met in late 1970. We worked together until I retired in 2012. Beyond just working together, we became close friends. Thru all these years we have shared laughs and we have shared tears. I will miss our "coffee time," I will miss his phone calls, I will miss calling him if I need a laugh or a shoulder to cry upon. I will miss his voice. Everyone needs a "Joe" in their life. He touched so many lives. He was the kind of friend who would come to your aid at anytime you were in need. He cared deeply for all of his friends. His love for God and his love for his family knew no bounds. I "lost " my husband in January. And, as I knew he would, Joe came for the funeral. We hugged and he said, "I am here if you need anything." I will miss you, Joe. Until we meet again dear friend. Love to the family. Sue McCrory
