“ Hello,

We are Dawn & Walter, neighbors of Mitch & Juli. Dawn (whom I call Mama) and I what take daily walks around our neighborhood. We became acquainted with both Mitch and Juli (Mitch first) by stopping and speaking to one another. Mitch & Juli had these cute little ceramic frogs posted around their front yard! One frog in particular (the one closer to the sidewalk in front of their huge tree), had the appearance of a girly-frog... She had her hands claps above her heart! Mama thought she looks so lonely and would say, "you look so lonely little princess... Someday a prince is going to come your way"! One day Mama and I were at the hobby lobby store and she saw this cute little chubby-stomach frog sitting on the shelf all alone! Mama said, "well hello Little Prince, I know just the place for you"! So mama bought him and brought him home to Mitch and Juli's. A couple of months later we were taking our daily walk and happened to see Mitch teetering around in his front yard! This would be our first encounter with Mitch! Mama and I both said (in unison), "good morning", and it's very pleasant huge smile met us back with "GOOD MORNING!!! Mitch met us with a greetings that made us want to just stand there and talk with him a spell! Mama told Mitch that she liked her little frogs that were posted around their front yard! She asked him, did he know where that cute little chubby-stomach frog came from? Mitch said that he had no idea where he came from, he said, that he came outside one day and it was just there! He said, "I asked my wife did she put it there and she said no"!

Mama then told him that she placed it there, because their little princess froggy looked so lonely!

Mitch just laughed and said, "I'll tell my wife"! A couple of times that we had an encounter with Mitch, he had that same huge smile on his face, with a very pleasant greetings! Speaking for both mama and myself we say, dear Lord, thank you for having given us the opportunity to have met one of your extremely humbled servants!

“ *All these years, I never knew his name was Joseph. I'm so glad this Cajun man made his way to San Antonio, Texas to become your loving husband. What a perfect couple God put together. He gave you so many adventures, a beautiful family, and home, and so much love! What an extraordinary man! We who love, hope, and trust in the Lord are comforted...even rejoicing that your Mitchell is walking the streets of gold with our Savior. Julie our prayers of comfort are for you and all of your family. I'm so thankful you have so very many precious memories. All our love to you! Terry, John, and Kristen Livingston*

Julie my heart breaks for you. When Mitch walked into a room he always made me smile so jovial and happy. He's so young to leave this earth however God needed him in his kingdom. Ya'll went so many places and I'm sure you'll always cherish those memories in your heart. Praying for you. Ray Jean

“*Hi. I'm Jerry, living by Mitch and Julie, has been awesome... one of my memories back in 2011, I was rebuilding my patio cover, Mitch must have been watching me, and one Day he said over the fence, You suck as a carpenter, told me the way I was installing the plywood for the roof part was not right, and it would be unstable, So I knew he knew more than me, so i said ok Mitch, He then said next time he tells me... I will get Billed. We both laughed. And we both Laughed...Your a good Man and I will miss our conversations over the Fence.*

“*Mitch always greeted me with a big smile from ear to ear. He truly brightened everyday that I was blessed to see him. He also always had an uplifting word to share. He was an angel on earth in some of my more difficult days. He will be missed greatly.*
