“ *Tia you are now at peace and with Tio. I have such fond memories of going to your house as a young child for our family vacations. I'm grateful for all that you did to help my mother out in her time of need. I love you.*

“ *I met you a little over 22 years ago when we moved next door, it rained causing the lights turn off.. you were so sweet to come with an extension cord from your house to ours so we could plug our fridge. Since then we became family.. you will always be in my heart.. till we become neighbors again in heaven.. I love you*
