“ I’ve known Ms. Josephine as “Granny” for many years as that’s what my sister-in-law Samantha calls her. As long as Sam has been in my life, so has Granny. She was always so kind and lovable, and she was a great grandmother to Sam and to Sam and Ricky’s children, as well. Her love for them, for her other grandchildren, and her children was palpable and limitless. Anyone could see that.

My sincere condolences to Cecilia, Choco, Virginia, Samuel, and Uncle Mark who are mourning their beloved mother.

To the Family of Josie Munoz. My sincere condolences. Josie was a woman of faith. We will miss her terribly here at Our Lady of the Angels Church. When you needed help you called Josie and she was here - preparing the church for our special celebrations, arranging flowers, ironing the altar linen, making tortillas for our breakfast, selling cake at our festival, helping in the religious education program. You name it she was here. She lived her faith by example. When I look at the parish grounds I will always remember her! Personally, I will always remember her kindness. And how proud she was of her family. Rest in heavenly peace Josie.

My mom. She was my queen, I just wish we wouldve had more time with you my beautiful momma. Thank you for taking care of all of us. You were always about your kids and family. Always made sure,even as adults ,that we always had a home to come to and food in in our stomachs. Mom you were humorous and you always made me laugh and smile. I thank you for never giving up on us Mommy i just find it so hard when i wake up in the morning and your not here. Please give us strength to endure this pain and to help us fill this void in our hearts with peace and comfort. I pray that you are watching over us. We miss you so so much mommy. 💔😭😭😭😭😭😭
