

Josephine Mayo Perkins

July 8, 1928 - January 23, 2008

Josephine Mayo Perkins, left this world on 1/23/08, from her home, as she wished, with her children and animals at her side. She was preceded in death by her husband of 43 years, Robert C. Perkins. She is survived by her children, Lisa, Darrell, John and Jim Perkins, her brothers, Robert and Ollie Mayo, and her cousins, Margaret and Benny. She was born 7/8/1928 in San Antonio, Texas, a home she always returned to after numerous “homes” she may abroad during her husband’s military career. Josephine grew up in San Antonio and graduated from Ursline Academy in 1945, and also attended Incarnate Word and Trinity University. She had an early understanding of those who were less fortunate, and initiated the collection and distribution of food supplies within her community. Josephine was well known for exuberance and generous nature. Her door was always open to accepting the challenges to help people, animals, and the causes she believed in. She was the ultimate hostess, dedicated to creating entertainment and fine memories for her friends and family. She was artistic, and participated in politics, and involved in various organizations that promoted civic understanding, i.e., The Bexar County Democratic Party, International Good Neighbor Council, Harp and Shamrock Society, the Conservation Society, and The Black and White Ball. Her presence and high energy will be greatly missed, however the memory of her fun loving character will always be held in the hearts of those who knew and loved her.

“ Dear Josephine, I still feel your presence is why I can write to you today. We shared the best of times, girls before our time, no challenge too great, were we great role models or what! Keep smiling and leave the door open as we will all be together

“ *My thoughts are with you for both your Father and Mother. May your
