“ My sweet grandma, I'm sorry I missed saying good bye to you. My heart is so heavy to know you're gone. I cherish all the memories I have with you and they will be forever etched in my heart. The thing I found so incredible about you was how you and I would talk about life and you'd share what you learned and you passed all your wisdom on to me. You taught me a lot in those conversations of sharing grandma. Without a doubt I will miss that. You were a sweet grandma to me and my three girls have fond memories of you as well. They loved you too. You're with grandpa now and that brings me a sense of peace because I know you missed him. I love you grandma and I will never forget you. Rest in peace my sweet grandma.

On Christmas Day Grandma was so full of life and cheer making us laugh as usual!! She was so ready to eat that during my prayer she stood up and went to serve herself in grand style she told me "Mija you took to long 🙏" She was always adorable with her beautiful smile!! Never without all her fancy jewelry and a new outfit for every occasion because she was a Lady at all times ✨ I will miss taking her to lunch or dinner but most of all just spending time with her was the greatest Blessing of all 🙏💕
Love Always!!

“ Hi Grandma!

*I'm sorry it took so long for me to get here; I wish I had a present for you instead of just these words. It's been awhile but please know that my heart always felt warmth when I heard that you love me. Remember grandma when my heart began to break in December of '89 and the holidays were never the same for me? I told you how sad it felt and never would I let myself imagine that you'd ever be someone to leave us too. Now my heart feels completely broken here on earth grandma with your passing, my number four, because my grandparents here on earth are no more. Because your transition from here was so sudden, grandpa, your baby A, my uncle and aunt both As must have called to you in your sleep to be with them in Heaven. Your son (my dad) was by your side and asleep when that transition began and was completed. When he woke to find you, he then wept and called aunt A and she immediately knew without words that you went to be with grandpa. Please remind your son, my dad in his dreams that he honored his dad in keeping his promise to him to always take care of you while he was gone. Grandpa must be so proud of him that he was there by your side when you left us huh? Aunt A did great too! Uncle C too huh? Aunt H is a good person and I'm sure you're very grateful. Right grandma? So many to thank here that the list no doubt is endless. I Love you grandma – please make room for me in Heaven so we can have fun again like we did in the '70s and '80s when I was a kid and you were my loving, silly grandma – those were my favorite days and until we meet again, I carry you in my heart
Grandma Josie!

“ *Grandma,
My heart breaks that you are gone and I won't get to share any more special memories with you. I am so grateful that God gave us the time we had and that my children grew to know their "Purple Gammy" and build those lasting memories of their own. Thank you for the amazing family legacy you and Grandpa have left for generations to come. I know your eternal reunion with Jesus and all our loved ones will forever be glorious and annointed with so much joy! We love you forever!
