I know that many have been touched by your life. Good job, Josh.

“ I met Joshua through the Fin Addict Angler Foundation and Angler on Wheels. Since then the memories I have of him continued to build with one big smile on top of another. That is how he made you feel with each greeting and now with each memory...a smile of what a nice soul to have known, to have spoken to, to have seen, to have been even a small part of his life. A true blessing! My condolences to his loving wife, Victoria and his family.

“ My deepest condolences to Vicky and the entire Mara family. Josh was a dear friend of my Son Jay Perez who passed away in January 2021. Jay had Spina Bifida and for many years was a teammate of Josh in the Warm Springs Sports teams and graduated from O'Connor HS together. They also worked out together many years in the Warm Springs Gym where people with many different disabilities trained and socialized together and became good friends. Josh's friendly disposition and sincere care for others were personal characteristics that made him a unique human being. Jay and I always considered Josh a very good friend that we enjoyed visiting with him every time that we saw him. I am certain that Josh, Bonnie and Jay are now in Heaven in the presence of our Lord Jesus Christ walking and running without any chairs or devices. Rest in peace my dear friend Josh and give Jay a big hug for me. All of you will continue in my daily prayers.

“ Josh, you were always so strong and determined to overcome life's battles. Your endurance and strength to keep going despite the obstacles is remarkable. You were no doubt a fighter, so fearless and resilient. You lived without hesitation. Now is your time to finally rest and be at peace. You are missed dearly and will forever be in our hearts. Love you always, your cousin Victoria

“ My condolences to Vicky, my personal trainer and friend since at least 2016. She has been instrumental in keeping me mobile as I have muscle, spinal and bone problems that have affected me the entire time I've known her.. She has given me many tips on how to live a healthier lifestyle. My dealings with Josh were few but he was a most likable guy, always friendly and outgoing willing to help all. He overcame obstacles in life and from my numerous conversations while training with Vicky I knew he was her "soul mate" for life. They took on the world together. I met Josh's father and to illustrate what a small world it is, we discovered we were stationed in the Philippines at the same time in the late 1960s. Josh was very kind. I recall him pulling up to my house on more than one occasion with a lunch for Vicky because she was frequently too busy to make her own. Vicky participated in numerous "mud runs" and other running events of physical endurance. I recall watching Josh charging in his wheelchair from obstacle to obstacle under his own power. No terrain was keeping him back from observing her progress. His upper body strength was amazing. He cared for her deeply and will be missed by all.

“ It is very hard on me what Vicky is going through because Joshua was / is (Joshua is living the eternal life with our Lord Jesus Christ) Vicky's love ❤️ of her life. They both were inseparable.

Vicky is my personal trainer since 2017, and I remember when I got a deal with Vicky about some healthy food to eat, and because I do not have time to prepare them ... Joshua cooked them for me ... Delicious food plus delivery with a very reasonable price. ... I just remembering his smile when delivery the food.

It is hard even though we know as Christians believers that he is more alive now than ever before because he is in the arms of Lord Jesus Christ ... No more pain , he is perfectly healthy and happy. ... And one day Vicky will see him again , and be with him forever ❤️ and ever.

.... My condolences in this land to his family.

Blessings 💕
