*Our deepest sympathy to the entire Betancourt family. We only knew Ms. Josie a short time but she was a sweetheart and she talked about how she loved her family. May she rest in peace and the many memories give you some comfort.*

“ My deepest condolences to Josie’s children and family. She was my half sister and I’m grateful that we got a chance to become closer these past years. One of my favorite memories is taking Josie to visit our Dad at Ft. Sam cemetery, that was our bond, and we would talk of him always and share memories of him. I will miss you Sister, until we see each other again one day ❤️
