“ *I meet Josie when I moved next door in the 70's. She was a beautiful lady...always had her hair and makeup just perfect. We had very long conversations about kids, and life past and present. She was so easy to talk to. Friends like her are hard to come by. Rest in peace. You deserve it! Will always remember you. Nettie*

“ My deepest condolences to the family. I first met Memo at my friends birthday party and in an instant she captivated me. She was an incredibly strong willed woman who didn't take crap from anyone, yet she would also show love and affection to those she cared about better than anyone. Memo will definitely be missed, let's just take comfort in the fact that she is no longer in pain. Rest in Peace Memo.
