“ Grandma was a terrific grandmother, great grandma, great great grandma. I have so many wonderful childhood memories. One of my favorite memories as a child was of her making me a special "kid" size tortilla. I will always treasure all our memories in my heart forever. I know she knows I love her so very much. It is a very bitter sweet moment for me. I hate to lose someone who has had such a large impact on my life but I am happy she is at peace and out of pain. I love you my Beautiful Angel.

“ Grandma loved coming to the ranch. She always had so many stories when her and grandpa would go to abuelita dora’s ranch house. I remember this day, she was so excited to hit the piñata at Val’s birthday party. I miss you so much. I’m happy that you are no longer suffering, and that you get to be with grandpa again. Until we see each other again. Love you grandma.
