

Josie F. Hinojosa

July 30, 1938 - January 13, 2020

Josie F. Hinojosa, the daughter of Jesus and Juanita Farias was born July 30, 1938 in San Antonio. Josie was a 1958 graduate of Harlandale High School and later graduated from business college. Early in her career she worked as a bookkeeper where she worked alongside her husband Frank. In 1986 Frank and Josie began their journey together as entrepreneurs owning and operating Hinojosa's South Texas Commercial Equipment.

She was a devoted wife and wonderful mother. She loved her grandchildren and took care of most of them on and off until 2005 when Alzheimer's began its ugly course. In 2018 she was diagnosed with a form of breast cancer and successfully had it removed. Frank and Josie hosted lots of parties in the early years at their home in San Antonio. She loved to travel, traveling to Jamaica, Hawaii, Las Vegas, Laughlin, New Orleans, and Lake Charles to name a few. She also loved to play the slot machines and Keno while sitting alongside her husband. For the last 15 years or until hurricane Harvey destroyed their bay house, they spent most of their time in Bayside, TX where they would invite everyone to come for the weekend. They would fish from their pier, and gamble until all hours of the night. Belinda would call to check on them and find them enjoying themselves in a game room somewhere in the woods where they would play, have a meal, and make friends. Thank you for being a part of her life and thank you to those friends who helped in anyway the last two years, especially those of you who helped rebuild their home in Bayside, we love you.

We enjoyed being a part of her life and are grateful for the wonderful memories “Grandma Fisherman” left us with. Too many families know what this awful disease does to their loved one’s mind, and we hope and pray that a cure is found soon. Alzheimer’s does not define my mother, her loving spirit and the way she lived and enjoyed her life does and she will forever have a place in our hearts.

She is survived by her husband of 59 years, Frank B. Hinojosa; children, Celia Hinojosa, Raymond Hinojosa, Robert Hinojosa, and Belinda Castillo; daughters in law, Josie Hinojosa, and Veronica Hinojosa; Diane Felix; son-in-law Javier Castillo; grandchildren, Frank (Maria), Robert (Erica), Alyssa, Nathan, Isaac, Ash, Beth (Eric), Jay (Nichole); great grandchildren, Jacob, Sydney, Emma Rae, Elliana, Sebastian, Rorion, Emma, Aiden, Chloe, Odin, Ella, and Arlo; her little sister Maria Elena Martinez; brothers in law and sisters in law, Basilio ‘Jr.’ (Eralia), Josefina (Domingo), Santiago “Jimmy”, Martina, Isabel, Olga, and Paul; and numerous nieces and nephews and host of relatives and friends. As her family we are blessed to have all these wonderful people in our lives.

She was preceded in death by her parents, Jesus and Juanita; siblings, Antonio, Jose Conrado, Maria, and Concepcion; sisters in law Margaret, Mary, and Amelia, brothers in law Charlie, Luis, and Sammy

The family would like to extend their heartfelt thanks to Guiding Light Hospice, Dr. Guanganti who went above and beyond to care and ask about my mother all while treating my father, Meredith her RN, Dolores her CNA, Irma her massage therapist, Megan her music therapist, an Sara, all of Guiding Light and Blanca who came to help us these past few weeks. They all cared for Josie in their own special way and we appreciate you very much for your loving care. Keep doing what you are doing God has you on the right path.
